The background of the page is a complex geometric pattern. It features several sets of parallel lines in different colors and styles: solid green, dashed red, dash-dot purple, and dotted blue. These lines are oriented diagonally across the page. Additionally, there are four large, faint gray circles positioned at the corners of the page. Thin black lines intersect the colored lines and circles, creating a grid-like structure. The overall design is technical and precise, resembling a drafting or architectural drawing.

The background of the page is decorated with a series of parallel, slightly curved dashed lines in various colors including blue, green, pink, purple, orange, dark blue, red, and teal. These lines are arranged in a pattern that suggests movement or a stylized landscape. Additionally, there are four circular motifs, one in each corner, each containing a crosshair design.
